

New Spring Silks and Woolen Fabrics

Unique Colorings—Exquisite Textures

We open the season with some of the most remarkable self-evident values in early spring fabrics that manufacturing skill has ever produced. No matter what particular line of fashion your taste may desire, make it a point to visit this department. It is necessary that you see and keep posted if you have a care how you look. The strength of this department lies in the unique and irresistible new colorings and new materials—the two important points for novel and effective results. If in search of either, you'll find them here in abundance.

SILK FABRICS
